

Parish Gift Day

Saturday 21st November

9:30am to 6:00pm

at

St. Mary's Church

For the funding appeal for the much needed restoration work at St Mary's Church.

We need to raise £110,000 before work can begin.

This work is needed for the ultimate preservation of the Church.

Please let your friends and neighbours know about it.

Please support St. Mary's - your contribution, however large or small, will help ensure the life of our village Church of St. Mary's into the future.

Many Thanks

Peter Holzappel
