

Men's Group BBQ

Thirty Four People sat down and tucked in to a lovely BBQ meal of tender succulent steak, sausages, baked potatoes and salad at St Mary's Men's Group annual BBQ at St Mary's House on Sunday 14th June. The weather was fantastic and after the main course everyone enjoyed a selection of sumptuous sweets and tea and coffee.

Thanks to Henry and Duncan for cooking the food, especially Henry for preparing the main course, to everyone who provided puddings and sweets, to those who helped with the tables and chairs. Thanks too to the ladies who did the final food preparation, made the tea and coffee and did the washing up.

With special thanks to Arthur Kelly for organising the event
