

**Meeting Thursday 18<sup>th</sup> March**  
**at Kempsey Community Centre 7.30pm (FREE-Tea/Coffee from 7pm)**

## **NEIGHBOURHOOD WATCH IN KEMPSEY**

We are keen to form more Neighbourhood Watch schemes in Kempsey. NW works closely with the police to help reduce crime in their area and is illustrated by many Home Insurance providers offering a reduced annual premium to members of Neighbourhood Watch schemes.

**SMARTWATER** will also be demonstrated at this meeting. This is a unique “invisible” liquid used to identify your possessions and something burglars prefer to avoid. Recommended by Police Authorities throughout the country, to safeguard your property. [www.smartwater.com](http://www.smartwater.com)
