at

St. Mary's Church

A funding appeal for the much needed restoration work on St. Mary's Church Bell Tower.

We need to raise £40,000 to secure grant funding.

This work is needed for the ultimate preservation of the Tower and the Bells.

Please let your friends and neighbours know about it.

Please support St. Mary's - your contribution, however large or small, will help to keep the Bells of St. Mary's ringing into the future.

Many Thanks

Peter Holzappel
