10.00am - 12.30pm

St Mary's House

Squires Walk

We invite you to join us and bring along your Society boxes for counting. Our district coordinator Mrs Susan Price will present a display of the valuable works done by the Children's Society and will be pleased to meet you. If you don't have a box at present but are interested to know more, please come, you will be most welcome.

For those unable to be with us, one of us will be at church each Sunday in October to receive your boxes which we will return to you after counting. Thank you.
