

We Save the Children Will you?

Bike Appeal

Many thanks to all of you who supported our Bike Appeal, we have been able to buy four bikes, which has meant easier school access to children who previously would have found going to school difficult because of the distance from home to school. Thank you.

Photographic Competition 2010

The theme for our next annual photographic competition is "A lovely View".

This Christmas we would be very grateful if you would save your 5p coins so that we can fund a year's teacher training, please pick up one of our yellow candle cards available from church, Julia Grant (820138) and Heather Davies (821040).

A Year's Teacher Training

This Christmas give a gift of education, to children who live in countries, where there is a real shortage of trained teachers. Teachers are the first step towards a brighter future. Help us light the candle of hope by filling the bag with 5p coins. £270 pays for a year's teacher training.

British 10K

A huge thank you to all those who sponsored me on the British 10K run in London, it was fantastic running past Big Ben in the sunshine and we raised £212.20 to support children and their families through Save the Children.
