

Important Notice

There has been an application by Mr Ahmed of Oakley Enterprises in Bradford to establish a pharmacy in Kempsey in the vicinity of Old Road North and Church Street.

If consent is granted we will no longer be able to provide a dispensing service from this surgery.

This may also directly affect our ability to keep the Surgery open in the long term.

We intend to object to this application.

If you support our objection and would like the dispensary and the surgery to remain open please write to
