

We Save the Children Will you?

Our 2010 Christmas Appeal

is to provide a classroom for the most disadvantaged children. This Christmas help us to give a gift that keeps on giving. Children with an education are more able to provide for themselves and their local community. £625 will help to create a better learning environment and you can help support this project by collecting 5p coins. You can bring your donations to **Julia Grant, 34, St Mary's Close** or **Heather Davies, 27, Plovers Rise** or ring **820138** for collection.
