

URGENT

TOWER

REPAIRS

St Mary's Church Tower needs urgent repairs

We need to raise £40,000 before October to secure the safety of our 15th century bell tower.

A total of £120,000 is needed to repair the tower and strengthen the fabric to take the enhanced peal.

WILL YOU HELP?

Without the urgently needed £40,000 leaks in the roof will cause further deterioration in the fabric and timbers supporting the bells which may be unavailable for weddings, funerals and Sunday worship if these repairs are not actioned urgently

Please contact Rev David Hassell with your donation or loan offer

Remember, if you are a UK tax payer you can **gift aid** your donation and we can claim back 25p in the pound making your donation even more valuable in securing the future of our beautiful church tower.
