

# WORCESTER LADIES NETWORKING GROUP

If you work for a local company, run your own business or work from home – why not join our Worcester Ladies Networking Group to help grow your business. This networking group will be holding it's first meeting on Wednesday 29<sup>th</sup> June 2011 from 10am until 12noon at Perdiswell Leisure Centre on Bilford Road, Worcester.

There will be 7 meetings a year approximately every 7-8 weeks on a Wednesday morning. Networking is a great way to meet local businesses, gain contacts and referrals for you company. With us holding 7 meetings a year we will really get to know more about each other making it easier to get referrals. The cost to join the group is only £31.50 a year, this means you can come to all the meetings where tea/coffee will be included.

In my experience, it's always easier to recommend a business if you know the person rather than have just have another business card but little else to go by. Some networking groups can be very costly where you pay for lunch leaving little time for networking. There will be a guest speaker at many of the meetings (this will be a member of the group) to introduce themselves and tell us more about their product. We will also be sharing hints and tips on how to grow your business, gain customers and repeat business.

If you would like to join please contact Anne Long of Travel Counsellors on 01905 453972 or email [anne.long@travelcounsellors.com](mailto:anne.long@travelcounsellors.com)

There will be a maximum of two businesses in the same industry so please contact me as soon as possible for the booking form and to book your place. If you require further information please do not hesitate to contact me.

I look forward to hearing from you soon,

Best Regards,

*Mrs Anne Long*
