

Cornflower Club

We had a very interesting talk with slides about Canine Partners. Stella Hewitt came with her dog who is so clever he can dress and undress Stella, put washing in the machine, open doors and a host of other jobs which Stella finds difficult to do for herself. Our last meeting of the year was our Christmas Lunch which was held at the Seaborne this year. We had an excellent meal in lovely surroundings and our surprise guest was Peter who came over from Bromsgrove to join in the fun, it was lovely to see him. Mary and Nikki were their usual Mrs Santa and Elf which made for a lovely Christmas atmosphere. Our next meeting will take place in the Parish Hall at 2-30 on February 1st. We have some places now for parishioners, so come along and try us out, we meet every 2 weeks on a Wednesday.
